

David Banger

Digital and Leadership Speaker / Facilitator

David is a highly-rated international facilitator with 20+ years of experience as a CXO advisor and group facilitator. David works with individuals, groups, and organisations to realise their potential and empowers leaders with fresh, relevant insights. David is also an author, digital / business transformation expert and adjunct professor.

CLIENT SCENARIOS

- ✓ **Event keynote presentations**, sharing Digital and Leadership insights for inspiration and motivation based on the proven frameworks and research.
- ✓ **Workshops for an external executive group or internal department** that requires a facilitator who understands technology, digital functionality and people, who asks the right questions and enhances the collective thinking of the group and the business.
- ✓ **Casual lunch or dinner** with an intimate group to develop conversations, explore issues and ideas in a relaxed, informal environment.
- ✓ **Launch of a product or service**, linking research into why now is the right time.

CLIENT FEEDBACK

"David has a big brain and an innate ability to simplify complex emerging topics. Our clients have attended many special speaking events globally throughout their careers, and so many of them said David's workshop was one of the very memorable."

Mark Riggs | CCO | Coupa

"I would certainly recommend David to other business leaders who are looking for an expert, highly relevant and valuable source of thought leadership."

Jim Farrer / MD ANZ / COINS
